

# Weather Advisory

## Beach Hazard, High Surf Expected Along with Heavy Rain and Wind

The National Weather Service  
has issued the following:

**High Surf Advisory**  
**Beginning as early as tomorrow and lasting**  
**through Saturday, December 13th.**  
**Heavy rain and wind is also predicted beginning**  
**Thursday night, December 11th**

Please take the necessary steps to ensure that your vessel  
is ready for this heavy weather.

High swells will bring elevated surf and strong rip currents to west facing beaches.  
Waves and surf will increase 12 to 14 feet with higher sets locally.

Please note OC Dana Point Harbor will not post additional updates  
on Saturday and Sunday. For current weather conditions  
or additional information, please visit the  
National Oceanic and Atmospheric Administration
