Ref: Proposed Psychiatric Emergency Services (PES) Pilot Program

Dear Ms. McConnell:

With regard to the proposed Psychiatric Emergency Services (PES) Pilot Program, I request information pertaining to the following questions.

1. Is the proposed PES Program open for participation to all Orange County licensed ambulance providers?
2. Will Care Ambulance be the only ambulance provider selected to participate in the program?
3. Which department at the Health Care Agency (Mental Health Department or EMS) should interested providers contact regarding participation in the PES Program?
4. Will the County Health Care Agency issue a formal expression of interest document to providers?
5. Or, will only the providers selected in the current on-going RFP process for emergency ambulance transport be allowed to participate in the PES Program?

I thank you for your assistance in this matter.

Sincerely,

Stephen M. Wontrobski
