SUMMARY REPORT APPLICATIONS FOR ORANGE COUNTY EMS FACILITY DESIGNATIONS

July 13, 2018

The following hospitals have applied to Orange County Emergency Medical Services (OCEMS) for Emergency Receiving Center (ERC), Base Hospital (BH), Cardiovascular Receiving Center (CVRC), and Stroke Neurology Receiving Center (SNRC) re-designation. This report summarizes an OCEMS review of the application noting deficiencies, conditions and recommendations. Today, it is presented to the Emergency Medical Care Committee for endorsement of their re-designation. Focused site surveys were done on a selected number of facilities based on length of time since last site visit &/or changes in key programs &/or administrative/management changes.

General Findings: The following facilities currently meet the designation requirements for Emergency Receiving Center and Specialty Center designation when applicable. Endorsement considerations of designation are for one to three-year terms or otherwise specified by committee. Facility evaluations and findings were based on designation questionnaire responses, facility trends on OCEMS monitored data, public and private data reporting sources and site survey processes.
