

Arroyo Elementary Traffic Circulation Improvement Project

Project Summary

OC Public Works is coordinating with Arroyo Elementary School to identify solutions to reduce traffic congestion on Coronel Road during peak student drop-off and pick-up times.

COMMUNITY MEETING

OC Public Works will host a second community meeting to inform interested residents and parents of Arroyo Elementary School students of a proposed project to reduce traffic congestion during drop-off and pick-up times along Coronel Road. Staff will present project information, share input received during the previous community meeting held on April 3, 2019 and through the online survey, and answer questions.
