Subject: Application for Revised Vesting Tentative Tract Map 17563 (TT17563)

Ms. Fistrovic,

On behalf of Rancho Mission Viejo, we hereby submit the attached application to allow for Subdivision Committee approval of Vesting Tentative Tract Map 17563 (TT17563).

Project Location/Ownership:

The proposed TT17563 is located within the Subarea 2.3 portion of Planning Area 2 (PA2) of the Rancho Mission Viejo planned community (formerly known as the Ranch Plan). PA2 is located in unincorporated Orange County, easterly of Antonio Parkway and northerly of future Cow Camp Road. The land ownership of the proposed project site is Rancho Mission Viejo (RMV Community Development, LLC).

Background:

In November 2004, the County of Orange approved the development of 14,000 dwelling units and 5,200,000 square feet (SF) of non-residential uses. As approved, the Ranch Plan encompassed 22,683 acres, 75 percent of which will be retained in open space.

On March 27, 2013 the OC Planning Commission approved the Planning Area 2 Master Area Plan (PA130006), and Subarea Plan 2.3 (PA130003).

Existing Conditions:

The project site is currently predominantly grasslands and orchards.

Project Proposal:

The proposed 167.2 gross acre TT17563 is an "A" master tentative tract map, which would subdivide Subarea 2.3 into 30 numbered lots (1-30). Lots 1-23 are to be sold to residential neighborhood builders. RMV would improve Lots 24-30 as parks and recreation facilities to be dedicated to, and maintained by, the master homeowners association. In addition, lettered lots are created to allow roads, natural open space and graded/landscaped slopes. The difference between the approved gross acres of Subarea 2.3 and the gross acres of TT17563, and the difference in the approved net acres of residential uses and proposed net acres of TT17563 are reconciled by RMV's proposed update to the Planning Area 2 Master and Subarea Plans and acreage exhibit in response to plancheck comments.

Consistency Analysis:

The proposed project is consistent with the appropriate *Ranch Plan PC Program Text Use Regulations & Development Standards* (PC Program Text, Section III), as described below:

- a. General Plan – Project is consistent with General Plan Amendment GPA 01-01.
- b. Zoning – Proposed Revised VTTM 170563 is consistent with the Ranch Plan Planned Community zoning, including all applicable requirements of the PC Program Text Use Regulations & Development Standards (PC Section III).
- c. State Subdivision Map and County of Orange Subdivision Code and Manual – In Compliance.
- d. Area Plans – Consistency with land uses and other details of PA2 Master Area Plan (PA130006) and Subarea Plan 2.3 (PA130003) – VTTM 17563 is consistent with Program EIR 589 and Addendum 2.0 approved March 27, 2013.
- f. Alternative Development Standards – All previously approved Alternative Development Standards that are intended to be incorporated into the development of Subarea 2.3 are listed within the "Notes" portion of the cover page of proposed TT17563.
- g. Regulation Compliance Matrix – Ongoing vetting of RMV's draft TT17563 version of matrix will result in an OC Planned Communities verification of all applicable Regulation Compliance Matrix items that must be cleared.

Environmental Analysis:

Addendum No. 2.0 was prepared by BonTerra Consulting in accordance with the provisions of CEQA (Sections 21000, et seq. of the California Public Resources Code), the State CEQA

Guidelines (Title 14 California Code of Regulations Sections 15000, et seq.), and specifically Section 15164 of the CEQA Guidelines. Final Program EIR 589 and Addendum No. 2.0 to Final EIR No. 589 provide the necessary environmental evaluations and clearance for the proposed applications.

Review Parties:

VTTM 17563 would be reviewed by all applicable internal OC Public Works departments. TCA, SMWD, CUSD and SDG&E are external entities with interests in reviewing TT17563. No cities are located near PA2. OCFA will be reviewing and approving a Fire Master Plan and Conceptual Fuel Modification Plan prior to Subdivision Committee approval.

Please contact me with any questions if you, or your staff, need any further information.

Sincerely,

Subject: **Preliminary Water and Sewer Letter for Tentative Tract Maps 17561, 17562, 17563,
and 17564 (for PA-2 south)**

Gentlemen:

This letter is in response to a request by RMV Community Development, LLC (Developer) for a preliminary water and sewer letter for the subject tract. The purpose of this letter is to allow for the filing of a tentative tract map only. A final will serve letter will be required prior to the filing of final tract maps or the issuance of building permits. A final will serve letter will be issued when (i) the Developer has guaranteed the construction of the in-tract facilities and (ii) construction of the District's water and wastewater facilities is assured.

The District supplies all of its current customers with domestic water purchased from the Metropolitan Water District of Southern California (MWD) through the Municipal Water District of Orange County (MWDOC) which acts as a wholesaler to its member agencies. It is anticipated the subject tract would also be supplied with available domestic water purchased from MWD through MWDOC. Subject to the developer's successful completion of the following items, the Santa Margarita Water District can and will provide domestic water, recycled water and wastewater service to each and every building parcel in the subject tract:

- Completion of the Plan of Works and approval of the document by SMWD
- Completion of the Water and Sewer Master Plan and approval of the plan by SMWD
- Completion of arrangements for funding, design and construction of all required domestic and recycled water and wastewater facilities (as required by the Plan of Works)

Should you have any questions or desire additional information, please contact me at (949) 459-6602.

Very truly yours,

SANTA MARGARITA WATER DISTRICT
