

Fullerton Creek Channel Rehabilitation Project

Project Summary

OC Public Works will complete a rehabilitation project along the Fullerton Creek Channel in the Cities of Fullerton, Buena Park and La Palma. Residents and businesses located adjacent to the channel may be impacted by noise and dust as a result of the construction. Work will occur between Walker Street and Knott Avenue and between Dale Street to Bastanchury Avenue.

WHAT

The rehabilitation work will include repairing concrete, restoring earthen slope, and removing and replacing "rip-rap." OC Public Works will also regrade the existing maintenance road, remove and replace chain link and cable fencing and repair access ramps and other drainage features. Tree trimming and sediment removal is required.

WHEN

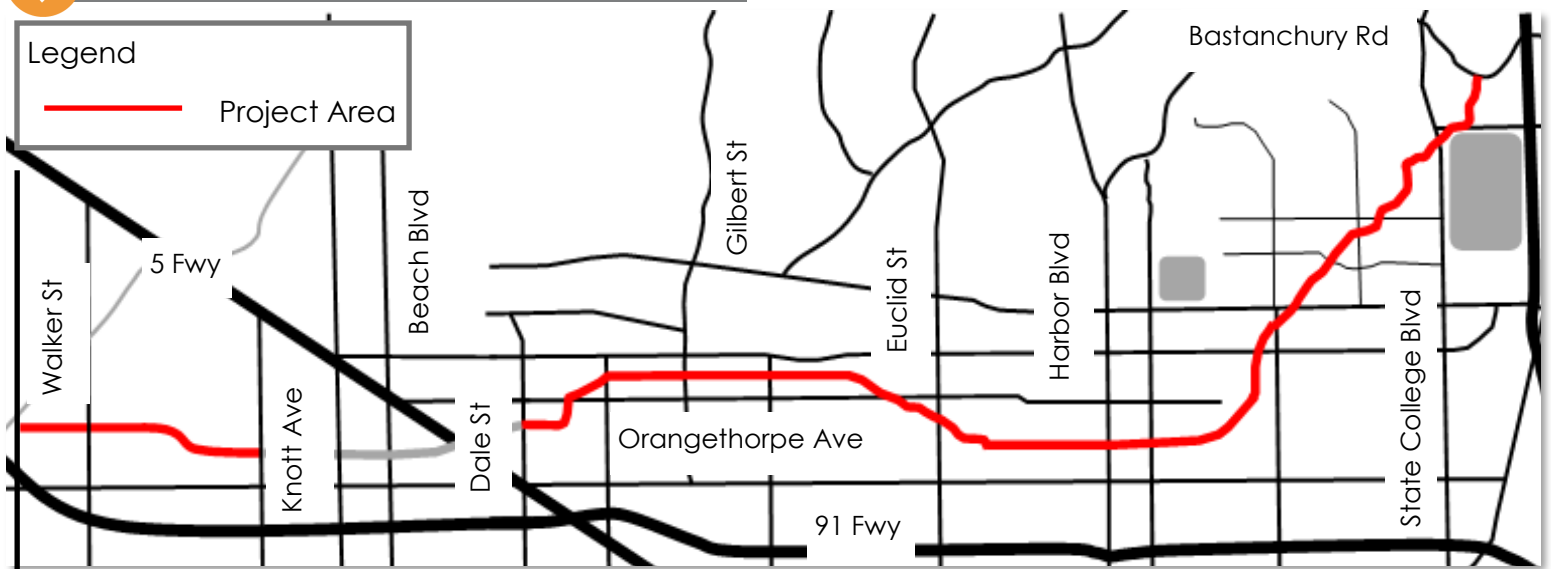

Anticipated Construction Duration

November 2018 — March 2019

Working Hours | Monday—Friday | 7 am — 4 pm

The construction schedule is tentative and subject to change due to weather and other factors.
