

East Richfield Channel Rehabilitation Project

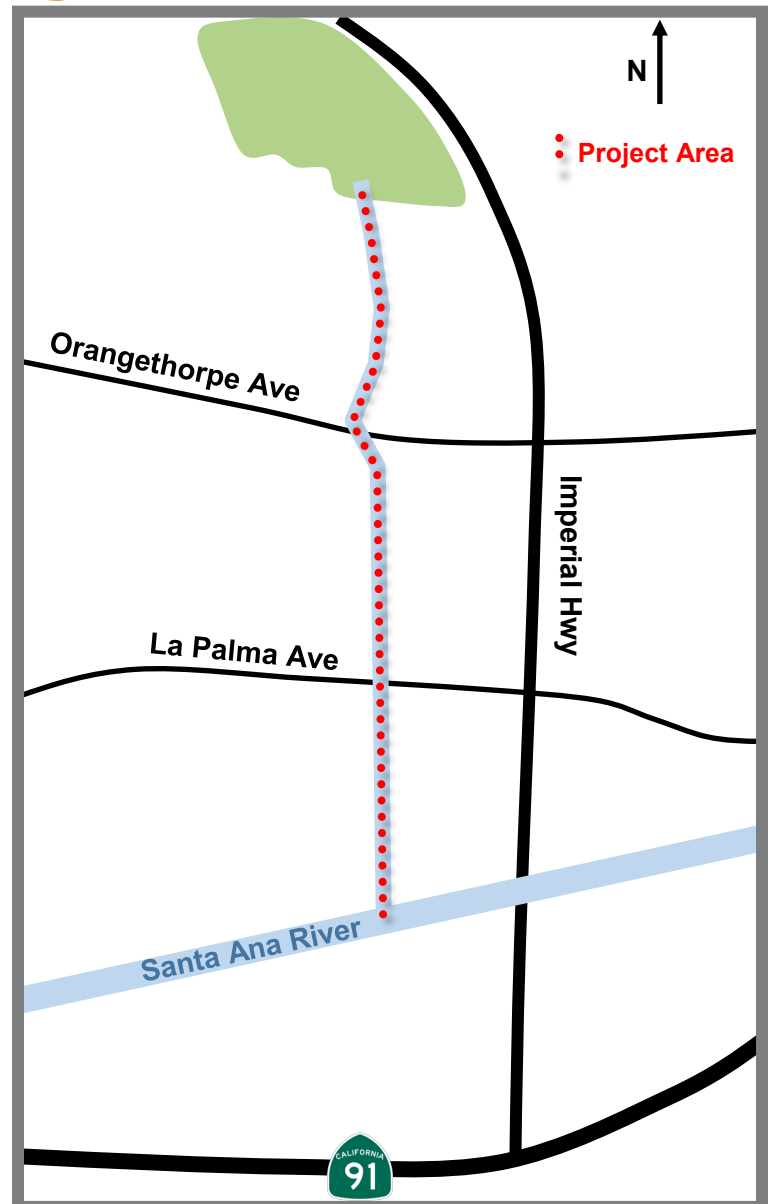

Project Summary

OC Public Works will complete a rehabilitation project within the East Richfield flood control channel, located adjacent to the City of Anaheim. Construction activity will occur within the flood control channel.

Residents and businesses located within close proximity to the project area may experience an increase in construction related noise and dust during regular working hours.

WHERE

WHAT

The rehabilitation work consists of repairing concrete along the flood control channel walls.

WHEN

Anticipated Construction Duration

September 16 — October 28, 2019

Working Hours | Weekdays | 7 am — 3:30 pm

The construction schedule is tentative and subject to change due to weather and other factors.
