SECTION C-12, Watershed Management

C-12.0 WATERSHED MANAGEMENT

C-12.1 Introduction (LIP Section A-12.1)

The County's Watershed & Coastal Resources Division coordinates regional watershed activities on a countywide level. For details on the efforts in watershed management during the reporting period, please reference **Section C-12** of the Unified PEA..

C-12.2 Watershed Chapter Modifications

The County, as Principal Permittee, led the development of the Watershed Chapters (**DAMP Appendix D**) for those watersheds within the San Diego Region during the reporting period. During the 2003/04 reporting period, the County will be leading the development of Watershed Chapters for the watersheds within the Santa Ana Region.
