

## North Tustin Asphalt Overlay

### Project Summary

OC Public Works will complete an asphalt overlay project within the unincorporated County area of North Tustin. **Access to residences and businesses may be limited during normal working hours. Area motorists may experience delays during normal working hours.** OC Public Works will pave various local streets and install crosswalk warning light systems, adjust utilities to grade, re-establish traffic detector loops and install traffic striping, pavement marketing and raised pavement markers. Advanced notification will be provided 48 hours in advance via door hangers and "No Parking" signs. Residents and business may experience an increase in construction-related noise and dust during working hours.

### WHAT

OC Public Works will grind and pave the following streets per the location map. The paving of Dodge Avenue (between Hewes Avenue and Newport Avenue) and Hewes Avenue (between Fairhaven Avenue and Foothill Boulevard) will be performed on Thanksgiving break, November 25–27, to minimize the impacts to area schools.

### WHEN

#### Anticipated Construction Duration

November 18, 2019 — mid-January 2020

#### Working Days & Hours

Monday — Friday

Neighborhood Streets: 7 am — 4:30 pm

Hewes Ave. and Dodge Ave.: 8:30 am — 4 pm

*The construction schedule is tentative and subject to change due to weather and other factors.*

*If you or someone in your household has a special need or requires physical assistance accommodations, please contact OC Public Works at [ProjectInfo@ocpw.ocgov.com](mailto:ProjectInfo@ocpw.ocgov.com) or at 714.667.9602. Requests should be made as soon as possible.*
