

Antonio Parkway Bridge Rehabilitation Project

Project Summary

OC Public Works will complete routine repairs to the Antonio Parkway Bridge, located adjacent to the unincorporated Orange County area of Rancho Mission Viejo. **Antonio Parkway will remain open at all times during construction; however, lane closures will be required.** Area motorists and bicyclists may experience delays when traveling through the project area. Traffic control measures, such as construction signage and flag personnel will be present.

WHAT

OC Public Works will resurface the roadway of the Antonio Parkway Bridge. Work activity will occur during the day and at night. **Residences located within close proximity to the project area may experience an increase in noise during working hours.**
