Construction Impacts County Civic Center Parking County identifies alternate parking locations

Santa Ana, CA (January 11, 2017) — On January 13, the County of Orange Hall of Administration (HOA) parking lot will be fully closed as crews move forward with the Civic Center Master Plan and the demolition of the existing Building 16. After the full closure on January 13, the north portion of the lot will be closed, with intermittent full lot closures as needed.

The partial closure will leave 64 parking spaces available along the south side of the lot. American with Disabilities Act (ADA) access will continue, with eight ADA-access parking spaces located within the HOA parking lot and an open pathway from those parking spaces to the existing ADA-compliant access ramp located at the northeast corner of the lot. Additionally, there are six metered ADA parking spots along Ross Street between Santa Ana Boulevard and Civic Center Drive.

To ensure availability of parking to Civic Center visitors, the County will be redirecting drivers to alternate parking locations listed below and at the following link: <http://bit.ly/2jmBW8A>.

- **Parking Lot 5:** Adjacent to the Old Orange County Courthouse, east of Broadway between Civic Center Drive and Santa Ana Boulevard. *Enter lot from Civic Center Drive
- **Parking Lot 8:** Adjacent to the Health Care Agency building, west of Broadway between Santa Ana Boulevard and Fifth Street.
- **Parking Lot 6:** Adjacent to the State Building and Appellate Court, west of Ross Street on the north side of Santa Ana Boulevard.
- **Parking Lot 3:** Adjacent to the Santa Ana Public Library, west of Ross Street on the south side of Civic Center Drive.
- **Parking Lot 2:** Adjacent to the Superior Court-Central Justice Center, east of Flower Street between Civic Center Drive and Santa Ana Boulevard.

The Building 16 demolition will require the use of large excavators, dump trucks and other concrete-breaking equipment, so the County is advising that everyone stay out of the project area and observe all caution signs, fencing and personnel. Temporary fencing has been installed to ensure the safety of the public, County employees and project personnel.

Upon completion of the Building 16 demolition, the HOA parking will once again be fully open for public and employee parking until September/October 2017, at which time construction for the new Building 16 is expected to begin.

For more information on Building 16 demolition or parking, please contact OC Public Works at 714-667-9615 or Parking@ocpw.ocgov.com.
