Orange County Offers Support to Houston

*Chairwoman Steel, Vice Chair Do and Sheriff Hutchens lend their support
to Hurricane Harvey victims*

“Our hearts and our prayers are with the people of Houston and the surrounding Texas communities. The storms and floods they are facing are devastating, yet their resilience in the face of such challenge is truly inspiring.

While separated by a distance of over one thousand miles, our shared American kinship has brought this tragedy very close to home.

The County of Orange and the Orange County Sheriff’s Department remain at the ready to assist and respond if requested through mutual aid protocol. We encourage the residents of Orange County to participate in charitable relief efforts. To learn more about how you can help please go to <https://www.redcross.org/donate/hurricane-harvey>.”
