MEDIA ADVISORY

Public Agencies to Update Orange County Residents on Holy Fire Debris Flow

Town Hall format will provide information and address resident questions about debris flow preparedness following Holy Fire in August

Santa Ana, Calif. (October 18, 2018) – On Tuesday, October 23 from 6:30 p.m. to 8 p.m. at the Library of the Canyons in Silverado, officials with multiple agencies will participate in a collaborative town hall meeting to update residents about the Holy Fire impacts and preparations for potential debris flows.

WHO: Todd Spitzer, Supervisor, Third District
Office of Supervisor Lisa Bartlett, Fifth District
United States Forest Service
Orange County Public Works
Orange County Sheriff's Department
- Emergency Management Division
- Operations
Orange County Fire Authority
Orange County Animal Care
American Red Cross

WHAT: A multi-agency briefing for residents about the effects of and potential impacts from the Holy Fire in Orange County in August. In addition to answering resident questions, the update will include County preparations for potential debris flows in nearby areas, an overview of the community notification process, the evacuation process and steps residents can take to prepare for future rain events.

WHERE: Library of the Canyons, 7531 East Santiago Canyon Rd. Silverado, CA 92676

WHEN: Tuesday, October 23, 2018 at 6:30 p.m. – 8 p.m.
