

Arroyo Elementary Traffic Circulation Improvement Project

Project Summary

OC Public Works is coordinating with Arroyo Elementary School to identify solutions to reduce traffic congestion on Coronel Road during peak student drop-off and pick-up times. The project will include restriping the roadway to maximize traffic circulation efficiency, extending the no parking zone adjacent to the school and adding a time restricted parking zone.

COMMUNITY MEETING

OC Public Works will host a community meeting to inform interested residents and parents of Arroyo Elementary School students of a proposed project to reduce traffic congestion during drop-off and pick-up times along Coronel Road.

MEETING INFORMATION

DATE: Wednesday, April 3, 2019

TIME: 6 — 7:30 pm

LOCATION: Arroyo Elementary School
11112 Coronel Road
North Tustin, CA 92705
