## Dana Point Harbor Drive Sink Hole Repair & Drainage Replacement

### Project Summary

OC Public Works will repair a sink hole, perform video inspection and remove and replace a damaged drainage pipe within the Dana Point Harbor area. The sink hole emerged during a heavy rain event. OC Public Works crews previously erected a fence around the sink hole as a safety precaution. The fencing will remain in place until construction is complete. OC Public Works will complete this project on behalf of OC Parks.

#### WHAT

Traffic control measures, including flag personnel, will be present during construction. Pedestrians are advised to use caution when walking in the area. The fenced-off area will continue to block a portion of the sidewalk and limit pedestrian access along Dana Point Harbor Drive.

#### WHEN

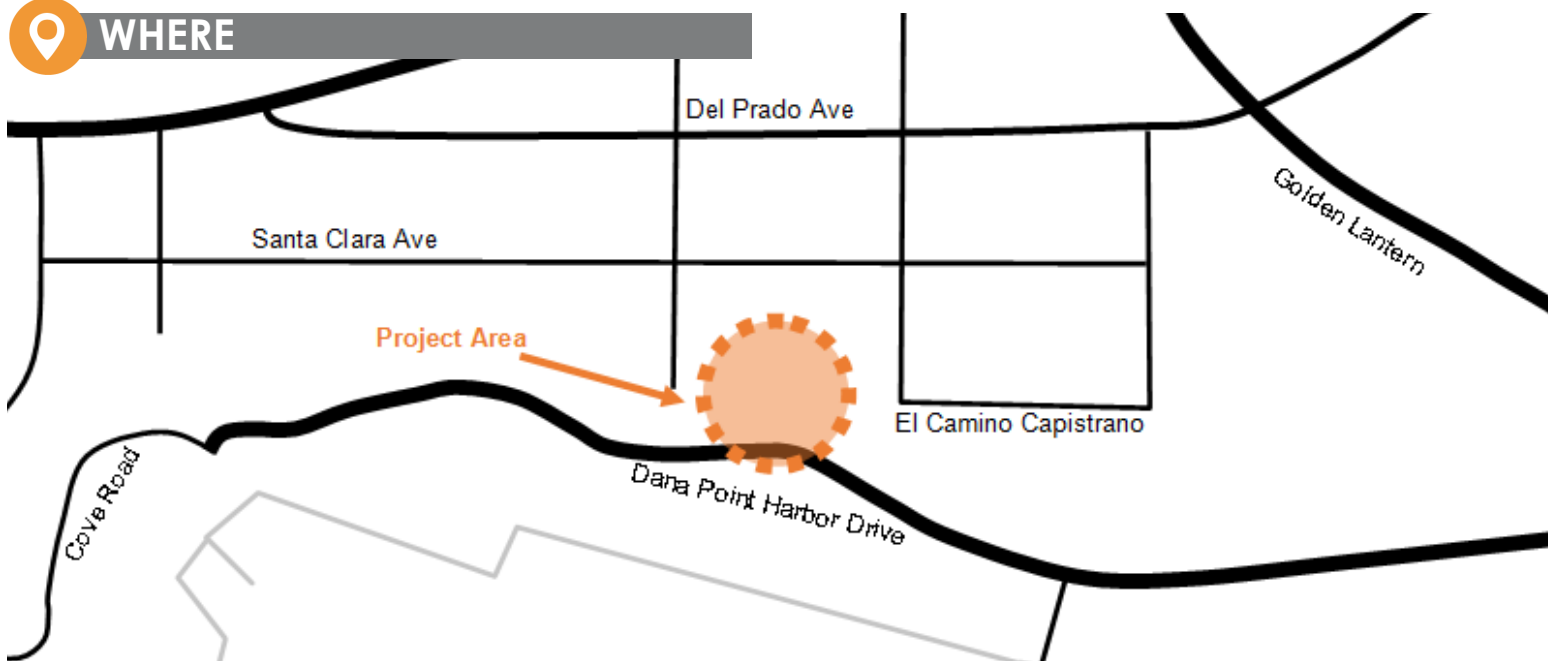

##### Anticipated Construction Duration

Mid April 2019 — May 2019

**Working Hours** | Monday—Friday | 7 am — 4 pm

*The construction schedule is tentative and subject to change due to weather and other factors.*
