Midway City North
Asphalt Remedial Repairs

Project Summary

OC Public Works will complete remedial asphalt repairs in the unincorporated County area of Midway City and portions of the City of Westminster beginning April 29, 2019. Remedial repairs will include “cold milling,” replacing damaged sections of asphalt concrete pavement, sealing cracks and applying an asphalt concrete overlay. A secondary asphalt resurfacing project will follow in approximately 6 months.

WHAT
Access to residences may be limited during normal working hours, depending on the location of the work. Residents will be notified 48 hours in advance of work activity with door hangers and posted “No Parking” signs. See the project area map for location information.
