

Construction Alert

San Juan Creek Channel & Capistrano Beach Channel Rehabilitation

Project Summary

OC Public Works will complete a routine rehabilitation within the San Juan Creek Channel and Capistrano Beach Channel in the Cities of San Juan Capistrano and Dana Point to repair deficiencies, and remove and replace damaged concrete.

WHAT

Residents and businesses within close proximity to the project area may experience typical construction noise and dust. Local streets will be used as haul routes to access the project area, which may cause slow-moving traffic at times. The trails in the local network will remain open at all times; however, bicyclists, pedestrians and equestrian users may be subject to minor delays during regular working hours. Flag personnel will be present during construction activity.
