

Santiago Canyon Road Bridge Maintenance

Project Summary

OC Public Works will complete routine maintenance repairs to the Santiago Canyon Road bridge, located west of Silverado Canyon Road. The repairs include concrete patching, removing and replacing the existing joint seal, road surface treatment and restriping.

Construction will be completed in phases to accommodate through traffic; however, lane closures will be required. Area residents and commuters may experience delays.

WHAT

OC Public Works will make routine repairs to the Santiago Canyon Road Bridge. **Traffic control measures, including lane closures, flag personnel, and electronic message boards will be present during regular working hours.** Those traveling through the project area may experience delays.

WHEN

Anticipated Construction Duration

Monday, July 29, 2019 — Friday, August 2, 2019

Working Hours | 8:30 am — 4 pm

The construction schedule is tentative and subject to change due to weather and other factors.
