

Designation of Financially Responsible Party

As stated in the Board-approved Resolution, the County's OC Development Services operates by recording actual costs against a deposit for grading and planning services. Thus, it is required that each permit or record maintained by Planning have a Financially Responsible Party (FRP) identified.

Per the County Ordinance, the FRP and the owner will receive all official communications regarding fiscal matters, including notices of low balances and additional requests for deposits and copies of permits. The FRP will also receive any refunds, if applicable. Once the FRP is identified, a confirmation notice will be sent in which the named FRP will have 10 days to notify the County of any errors. If the designation is contested, all work on the permit(s) may be stopped until this issue is resolved.
